To our valued clinicians and customers,

On behalf of the team here at Jobskin, we wish you and your loved ones a happy festive season over Christmas and New Year. This year the team has welcomed three new tiny members into the Jobskin family as well as revamped our forms. As always, we are thankful for the opportunity support your needs throughout 2025 and we look forward to even brighter and better things in 2026.

Christmas Closure

Similar to prior years, we will be temporarily pausing production at the manufacturing facility over the Christmas break. The production facility will be closed from Monday 22nd December 2025 and reopening Monday 5th January 2026. Should any emergencies arise during this time, please contact Nas Foscarini (Operations Manager) on 0413 889 372 or myself on 0411 298 892.

Jobskin Orders prior to Christmas

The time leading up to Christmas has traditionally been a busy time for our business. As always, we will do our best to meet to the requested production times during this peak period. However, to assist us, we request that all orders required prior to Christmas closure be received before close of business on Friday 12th December 2025.

Following that date, if there is a garment you require before Christmas please contact the Jobskin directly and we will endeavour to accommodate your request.

We will continue to process orders received after this date, but delivery prior Christmas closure is not guaranteed. This date allows us sufficient time to process the large quantity of orders normally received around this time and have them all out to prior to the Christmas closure period.

**From the Jobskin
Team ~ Merry
Christmas & a Happy
New Year!**
